11th MAY  
17th AUGUST  
7th & 28th SEPTEMBER  
12th OCTOBER

## TODAY'S MEETING

Following the success of the March race meeting last year we are again holding this non-championship "warm-up" meeting to give competitors the chance to try out new cars or revised settings in races which do not count in the Scottish Championship which will be run over the remaining six race meetings at Ingliston and the two meetings at Knockhill which SMRC are organising on 8th June and 3rd August.

Last season saw the continuing growth of the road car classes so we are extending the range of classes by bringing in modified saloon and modified sports cars which will allow a progression from road car classes to the racing classes.

FF2000 developed last year and can now stand on its own as an event and we know of other cars joining the class later in the year.

## NEXT MEETING

Austin Rover return to the circuit on 20th April and a round in the National "MG Metro Challenge" will be held. Other attractions are being organised by the Austin Rover Group so come before lunch and see the lunchtime fun.
