(Webmaster's addendum – You are mistaken, I'm afraid! The morning practice sessions at the April 1977 race meeting were wet, although all but one race was on a dry track!).
bindi robertson	(Originally posted on 2/9/2001) Thank you for bringing back so many happy memories and long forgotten names. My father was Archie Craig, long standing chief marshal and chairman of the SMRC. I went to every race meeting with my grandmother and we always had the same seats in the grandstand. Block E row A seats 29 and 30. I wonder if the spectator marshals on that post would remember us!! I think one of them was a Mr. Gillies. Thank you again.
Ted Dzierzek	(Originally posted on 5/9/2001) Super pictures, they capture all that motivated me in motor sport. Keep showing!
Craig Ronald Darling	(Originally posted on 26/9/2001) What an excellent site. I wonder if you may have a photo of David Leslie when he raced for Hope Scott garage in the late 70s early 80s? I am a bit young to remember but my dad was a mechanic in the team and I'm sure it would bring back loads of memories.
Lance Gauld	(Originally posted on 9/10/2001) Hi Iain, great idea with the pics, interesting point about my pic from April 82 was that the steering wheel had come off through the Esses and I ended up at Caravan having missed everything! Cheers, I'll get Graham to have a look.
Thomas Glenly	(Originally posted on 29/10/2001) Brings back memories of my youth. I lived in a block of flats in Motherwell and was friendly with the son of a "chief sector marshal" JOHN LANG who used to take me to Ingliston, the Lombard RAC Rally and Doune Hill Climb. I remember being in the paddock at Ingliston. My sister had a Marshal's arm band on along with John who had the full racing gear on. The picture that brought back memories was the one with Noel Edmonds (he used to spin a lot). I remember his car having big circular "CHUNKY CHICKEN" logos on the car. John had a race prepared Escort Mk.1 with a Burton Racing Engine. I remember him walking into a MAZDA garage and obtaining a BRAND NEW MAZDA for a rally loaded with advertisements as he was ahead of the competitors in the RAC Rally 4-7th June. Next door to John was Andy Richardson who raced bikes. The back of our block of flats were the garages which looked like a paddock. Unfortunately John was a diabetic and died in a coma. I attend Knockhill, I love putting my Saab Aero through its paces on track days. Thanks for the memories.
Stefan Barr	(Originally posted on 23/11/2001) Hello, I would just like to say that your collection of albums are excellent. My dad (John Barr) used to race an Atlantic Lotus 69, also I believe he had a Mallock. I am his younger son Stefan (16 years). Also do you have any other pictures of my dad, if you do could you please let me know. Thanks.....great album.
Paul Barrow	(Originally posted on 16/1/2002) Good to see some old cars again. I only ever visited Ingliston once, but the smell of cow dung and engine oil remains! I congratulate you on the quality of your slides, mine of the same age do not scan as well. I have a similar collection of slides from 70 Croft races. Might pinch your idea and do my own site. Congratulations, Paul.
Garneau Weld	(Originally posted on 16/1/2002) Very original! Nice quality with the personal touch. Thank you for sharing a great collection.
Ian Rae	(Originally posted on 18/1/2002) Awesome! Great to see old Ingliston photos. Do you have any of a Blue and Orange Clan Crusader from Ingliston or the hillclimbs during 1979?

Les Campbell	<p>(Originally posted on 9/2/2002)</p> <p>Hi Iain,</p> <p>Excellent photos, they have brought back many memories as I went there about the same time as you. I was looking mainly at the Imps as I have a Stiletto and a Ginetta G15 at the moment. When I got to this page I was surprised to find a picture of the kart demonstration as I am in this picture at the back. Sadly we didn't get back to Ingliston as one of the drivers went under the armco and later died. I also have some pictures of Ingliston mainly slides. Do you not wish you still had your Hawke? At the moment I do Historic road rallies in my Stiletto ( what I would really like is a Maguire or Davrian).</p> <p>Cheers! Les.</p>
Shaun Taylor	<p>(Originally posted on 10/2/2002)</p> <p>Still remember Gerry Marshall sliding Bertha through Caravan, Eddie Cheever showing Norman Dickson what a good, not rich driver can do, and running from Iain McLaren's M26 at the Esses at it jumped the barrier. Happy days!</p>
Martin Jones	<p>(Originally posted on 2/3/2002)</p> <p>Brilliant album! I have had Imps for 13 years and I never knew there were so many racing back in the 70's. I now own 2 racing Davrians, one of which is the ex-Jim Adamson Mk7a modsport Davrian. I am currently restoring this back to race spec. Other Davrian is a 998cc Turbo! Lots of fun!! Bye!</p>
Andy Kerr	<p>(Originally posted on 6/3/2002)</p> <p>Brings back memories</p> <p>Loved watching Kenny Allen and John Fyda taking off from the start line.</p>
Robin	<p>(Originally posted on 20/4/2002)</p> <p>I really enjoyed your review of the Scottish motor racing scene, having my first meeting in 65 at age 9. Standing between Caravan and Shepherds as a grid full of Imps and Minis (Sports-Tune Box 1 and Box 2) hurtling through the Esses, my hero Allan Rollinson dicing with Andrew Fletcher in a Brabham BT 18? Andy Barton in a Morris 1000 before his Marcos days. Willie Forbes in his thundering F5000, the silence between shifts. Eddie Cheever starting at the back of the grid taking 1st on lap 3, yes I could go on and on.</p> <p>Happy days, I emigrated to Canada in 1990.</p> <p>Still see Roddy McPherson flinging his Cooper Bristol around Goodwood and BTCC rounds from Knockhill via Speedvision. Thanks for the trip down memory lane.</p> <p>Cheers Iain.</p>

Willy Toye	<p>(Originally posted on 20/5/2002)</p> <p>I found your site while I was trying to find out info for my son, who is now going to start racing (grasstrack).</p> <p>Like you I spent many cold and wet Sundays at Ingliston, my Dad was a marshal and he used to drag me out of my bed around 6 for a full day of Scottish style racing, the Birrells (Wylies Escorts), D Niven, J Veitch (SMT Viva), Team Gold Leaf Lotus, and vast array of A40s, Anglias, Escorts and many more. Your site has definitely rekindled a few memories for me, thanks.</p> <p>I have waited 30 odd years and now that I can afford it I will be racing this season in a Sierra Cosworth in the saloons. I hope someone takes a few snaps.</p> <p>All the best Willy.</p>
Keith Laming	<p>(Originally posted on 12/6/2002)</p> <p>Really top action pics, do you have pics of Imps in any other disciplines of motorsport, particularly club rallies?</p>
Douglas McGregor	<p>(Originally posted on 14/6/2002)</p> <p>1983 was the 1st year my brother and I and friends attended Ingliston. We were hooked on car racing. I have enjoyed looking at your photographs. I too have a collection of photos in my loft mostly from 1983-1993.</p>
Karen	<p>(Originally posted on 15/6/2002)</p> <p>Not into motor sport but excellent photos.</p>

Chris	(Originally posted on 27/7/2002) Loved the old photos. Would like to know if you have any photos or knowledge of Mini Marcos competing in Scotland as I have a 1960's shell which was used in some form of motorsport. It looks like it was an ex-circuit racer but unfortunately I have no history.
Drew Aitchison	(Originally posted on 3/8/2002) QUALITY ma man! I used to walk to Ingliston from Bo'ness when I was a wee guy just to watch Imps kick arse. Now I've got four of the wee demons myself! Cheers!
Roger Bennett	(Originally posted on 29/11/2002) Iain, these are superb. What a trip down memory lane. I was taken to most Ingliston meetings by my Dad from Oct 68. I went on to race bikes, and still do. Please look at my site <a href="http://www.RogerBennettRacing.com">www.RogerBennettRacing.com</a> . I had my first ever win at Ingliston in April 1984, and still see Ian Forrest, Walter Robertson, and Harry Simpson regularly at Knockhill. If you mail me back, I'll tell you more. Thanks again, great site. Roger.
Graham Millar	(Originally posted on 19/2/2003) I was there as a fan, driver and car builder 1979 onwards and have been involved in some sort of motor sport ever since. This year I am running a car in the Mini Cooper challenge.
Peter Butler	(Originally posted on 18/6/2003) What memories! I think my first visit to Ingliston was 1969 Edinburgh Students meeting. First saw a Jensen FF. Remember well many of the cars above and the Birrells in their Escorts, etc. Attended many times at Ingliston during the 70's, paying extra for a grandstand seat and trying to sneak into the paddock for free.
Jim Toye	(Originally posted on 15/10/2003) Thoroughly enjoyed the site, my dad was a marshal at Ingliston for years. I spent many a day there from late sixties to late seventies. Was there a guy Veitch who raced a 5-litre V8 Viva? Great sound but not a lot of speed as I remember. Graham Birrell and Jenny Birrell, did they race Escorts and Ginettas? Thanks for the nostalgia.
Graeme McGregor	(Originally posted on 23/10/2003) Great to see some pictures of good old Ingliston. My brother and I competed in the mid-Eighties doing sprints and hills before moving to circuit racing for a few years in the early Nineties, seeing the names of the drivers brings back some fine memories, cheers – Graeme.
Harry Simpson	(Originally posted on 21/2/2004) No Davrians. (Webmaster's addendum – look again Harry!!)
Andrew Davenall	(Originally posted on 21/4/2004) Dear Iain, I drove around what remains of Ingliston yesterday, weaving my rented Ford Focus between artics and show stands. I saw the RAC rally pass through one evening in November 86 or 87 but sadly never got to see any races. Great to see some shots from its heyday. I race a Sunbeam Tiger now; if you have any pics from earlier meetings showing any Tigers competing, our club would be thrilled to see them. Kind Regards, Andrew.
Iain Smith	(Originally posted on 7/5/2004) Superb album, brings back many memories of many familiar names.

<p>Name: Richard Bennett Sent: 01/22/2009 09:56:40 pm</p>	<p>Great pictures and memories. I can recall the Hesketh being at the circuit even although I was only 8 at the time. Also recall the Dryden/Niven duels, particularly as I was a Bill Dryden fan and my brother a Doug Niven fan - in fact recently found a programme in my mother attic from 17-05-70 signed by Bill Dryden &amp; Jenny Birrell.</p> <p>Great site, well done.</p>
<p>Name: Mark Fraser Sent: 01/28/2009 10:24:45 am</p>	<p>Superb website!! I was at some of the meetings in the pictures!!! I remember Barry Sheene - my mum has a photo of me and him from that meeting! I think I was about 6 or 7 at the time. Remember the bonnet coming off the beetle down the back straight. Was really hoping my favourite memory of my childhood would be there, Russell Spence and Jim Stevenson in the libre race. (83 or 84) F1 ?? vs Ralt RT4? That is probably the source of this life long addiction I have for car racing!</p>

I have vague memories of Lotus Cortinas and loads of Imps; drivers in the pits who all looked like Jim Clark (cream race suits, distinctive driving shoes and brylcream side partings!)</p> <p>I also remember seeing a kart race on the circuit at one of the meetings!</p> <p>I look forward to seeing any earlier pictures and drivers names that I might recall other than Dougie Niven, which rings a bell.</p> <p>Thanks</p>
<p>Name: Ricky Gauld Sent: 04/02/2009 10:23:13 pm</p>	<p>Great site, brought back some really happy memories. Competing again in sprints, hill climbs &amp; classic rallying in an 998 imp co driven by my son Callum. Ah the buzz is still there !! Keep up the good work, thank's.</p>

We used to alternate between here and Croft and then off to Silverstone and Brands for the big one!Happy Days. Great names and great cars.Walter Robertson in a Skoda DFV in the wet in whatever race meeting that was in 1979.....I bet Sebastian Vettel couldnt do that!</p>

<p>Name: Paul Sent: 05/15/2009 06:45:02 pm</p>	<p>Great photos. Used to hear from folk about it as a kid, wished I'd had a chance to race there. I'm looking for information on a Fiat 128 that Jean Denton ran in Special Saloons there in the early '70's, left hand drive, yellow and blue zebra type paint, sponsored by Huxfords. I believe a journo crashed it in testing. Anyone any clues as to its whereabouts? I'd love to find this car.</p>
<p>Name: Mark Watson Sent: 06/10/2009 08:00:55 pm</p>	<p>Thank you for sharing your memories and photographs of Ingliston - you are keeping my favourite circuit alive! It was a sad time when racing stopped there... I tried Knockhill but it never had the same feel to it as a spectator.</p> <p>As a kid between 3 and about 14 I used to regularly go to Ingliston with my dad (sending my mum and brother off to the market while we watched the racing!) It was the centre of my childhood.</p> <p>Jim McGaughay in his Renault 5 (and later the Lancia) used to always be a late entry and I marvelled at how he kept the Lotus Esprit of Ron Cumming and the Ecurie Ecosse of David Leslie behind him!!! Other favourites were Olly Ross (in his Fiesta if memory serves me right?), John Fyda and Tom Brown.</p> <p>At 18, when Tom Brown still had his school there, I took a Formula Ford round the track in the wet... appreciated the skill of the guys I'd watched as a kid even more after that, believe me!</p> <p>I have some photos/old programmes myself somewhere, I ought to get them looked out and if I can find them, I will email them on to you. Thanks again, and nice to see some familiar driver names from those days signing your guestbook!</p>
<p>Name: Frank Anderson Sent: 07/13/2009 03:58:17 pm</p>	<p>For a few years my wife and I ran the model shop there, and my eldest son who at the time was about 5 years old would wander off in the direction of the ps and come back with somebodys spanner or some other kind of tool. It became a ritual that just before the last race a mechanic or driver would come up and say has your son got my whatever, usually to find it stuck in the leg of his overalls. Which he called "Noveralls". Best memory for me was the superloons Strawsons Capri Nick Hill's Skoda Walter Robertson's VW Variant. Oh yes very happy memories, and at the end of each meeting a wee sherbert in the clubhouse. Such ambiance. Scotland at its best Kind regards to all FA</p>

Once there and once on the RAC in a damaged sideways Mk 1 Lotus Cortina. Too many highlights - John Miles in Gold Leaf Europa and F3, then a 62? My namesake in Burn Baby Burn Escort and Modsports Elan. Allen v Fyda. McRae v Dr Chalmers. John Cleland firing up the Holden V8 behind the main stand and also formation flying with Jimmy McRae. My pal Ronnie Irvine's red Escort in Road Saloons! Olly Ross in the S&amp;S Escort Estate. Gerry Birrell in Cologne Capri?.....and on and on.....</p>

<p>Name: Kevin Wynne Sent: 08/08/2009 05:25:56 am</p>	<p>This site helps brings back many happy memories! I was friendly as a young boy with Iain McLaren's son Bruce and I was lucky enough to be taken to Ingliston, Knockhill etc with Iain's 'team' in the team transporter. Bruce and me spent many hours sitting in the main stand at Ingliston timing Iain, and then when the public had gone home we would sneak on to the circuit with the paddock bikes and do laps pretending that we were Bruce's Dad 'duelling' with Andy Barton and the Dickson's! Now, without fail, as I drive past Ingliston I think back to those days and wish that Ingliston could have been developed into the circuit that Edinburgh and Scotland deserved.</p>

That was 40 years ago for me...12 years old at the time and always getting in the mechanics way !...but sometimes getting to steer the orange mini or Iains black open wheel single seat ??? racer as they got pushed onto trailers etc. Great memories.</p>

Visiting Ingleston for Truckfest and the Highland Show it is hard to beleive it was our top racing venue before Knockhill took off. I remember getting a guided tour of the Marchall's factor with my father and at the end gettind a free ready to eat chicken in a tin. Beat that !!!!!!!!</p>

Name: Reg.Palmer Sent: : 11/10/2009 08:11:45 pm	I had the pleasure of being at a wonderful talk by Whizzo Williams to Bristol Pegasus MC 9/11/9 and very amusing mentions of his racing here against Tom Walkinshaw and others. My own most favourite race was here in 1991,CSCC pre 1960 saloons, in a Mk 2 Zephyr winning from 8th on the grid in the wet.A similar car to the Zodiac that runs at Goodwood today,which I raced as well for the late Tom.Luff. Graham Gould was the commentator and the club spirit of the meeting remains a great memory.

Fabulous years - after racing we all retired to the McRobert Pavillion to drink too much and tell tall stories !! Brings back happy memories of great mates no longer with us like Tony Charnell and Miles. I'm still involved in Historics in Australia with an old Ferrari and doing Sprints in a Caterham

For Iain MacColl, yes Jackie Stewart was at Ingleston, I watched him do a demo lap in the Tyrrell. I have a great memory of going up into the stand where I got Jackie and Jim Clark's autographs on a Programme - which I still have somewhere !

I'm surprised with the amount of people booking up on track days and the distinct lack of Scottish circuits that it has not become viable to open the old circuit again.  Such a shame.  Bob
Name: Andy MacFayen Sent: 02/05/2010 01:02:30 pm	Many thanks for bring back warm memories of what was the best little circuit in Britain. I particularly enjoyed the pictures of the Doug Niven's Boss Escort, which clobber my two mates and myself who were spectators just beyond backstand when the Escort's throttle jammed wide open and said Boss Escort literally went ballistic and jump the barrier.  A year or so later we were among the hordes of racing Imps and a later a Mk8 Davrian, but that is another story or two. Regards Andy MacFayen.

Didnt get his contact details but he now runs a contract cleaning comnay out of Cumbernauld. On the same day Ian Gardner came into our garage to visit one of my colleagues. I might be able to get contact details for him if you wish. email me.

Name: Andy Gierus Sent: 04/30/2010 10:04:44 pm	Your site really brought back some nice memories. I was a regular visitor to the Ingleston circuit from 1966 to 1974 . I have fond memories of Graham,Jenny and Gerry Birrel racing there as well as the Gold leaf team lotus 62's with John Miles and Roy pike. The formula libre races were always interesting with the Formula 5000 cars against the F2 cars ( Ken Fildes :crossle, Graham Birrel in the Ecurie Ecosse bt23c etc). Good stuff , I look forward to the new photos and hope you have some from that period. Regards A.Gierus.

These guys were proper racing drivers,not afraid of the potentially lethal consequence of losing control at speed. A brilliant site that's got me in the mood for Knockhills Classic Speedfair this weekend.

My late Father was Bill Nicholson of MGB fame (also BSA Gold Star) He never raced at Ingleston, but we went a couple of times with the late John Gott (Austin-Healey 3000) who was Dad's Best Friend &amp; one of my Godfathers. It was so lovely to see all the photos &amp; I loved the Chevron ones - I used to keep all the records of Chevrons Worldwide for Derek Bennett - all the results of all Chevrons were meticulously written down by me every week - How much easier it would have been if we'd had the Internet then!</p> <p>I remember you racing your Hawke.</p> <p>Regards,</p> <p>Lorraine &amp; Angel the Cat</p>

<p>Name: Robert Smith Sent: 12/03/2010 11:12:23 pm</p>	<p>Brilliant website, I used to visit regularly from 1969 onwards, first as a schoolboy. Ingliston started my interest in cars and probably contributed to me wanting to be a mechanic when I left school! I served my apprenticeship at Appleyard Edinburgh and from about 1976 to 1978 me and a fellow mechanic Jimmy used to drive the Appleyard Land Rover and trailer round to pick up the wreckage after each race . I'll need to look out some pics and post them on the website for you.</p> <p>Cheers Rob</p>
<p>Name: Graeme Storey Sent: 01/05/2011 01:01:26 pm</p>	<p>Real great to find a website about Ingliston Circuit.</p> <p>For many years my father (Gerald Storey) was Chief Fire, Track &amp; Communications Marshal and it was a labour of love organising all the marshal passes, documents and sending out all the reminders etc. Many a day we had piles of stuff in the living room in readiness for the following weekend's race meeting. I seem to recall there were over 200 marshals under my fathers care?</p> <p>I was certainly a regular lad (in my early teens) every meeting with my special 'access all areas' pass, helped with filling in when a marshal was missing and ran errands to find people and stuff. Met Jim Clark and Jackie Stewart (the weekend before the fateful Hockenheim race where we lost JC) but I still remember the passion that they both had for the sport, even just being onlookers at the races. Lots of brilliant memories, and it was where I learnt to drive on the special marshal-only days. No question it infused the petrol into my veins!</p> <p>Keep up the good work!</p>

<p>Name: Graham Forbes Sent: 03/06/2011 09:03:56 pm</p>	<p>What a trip down memory lane ! Like you Iain, I was taken along to Ingliston for the first time as a schoolboy in 1969 after badgering my Dad for weeks due to an ever increasing interest in motorsport. I visited regularly over the years and in 1975 &amp; 76 I was a blue flag marshal at the Hairpin &amp; Southstand. Jackie Stewart was my childhood hero and I continue to add to my huge collection of memorabilia associated with him. It is still a great regret that I didn't manage to attend Ingliston when Jackie demonstrated his Tyrrell 003 but I have subsequently met him on a number of occasions and he really is a proper gent happily giving up his time to give autographs. I hope to meet him again in the summer at the Goodwood Festival of Speed which I have attended for the past 2 years and enjoyed it so much that myself and my 19 year old son now make it an annual pilgrimage.</p> <p>Your Ingliston photos brought back so many memories and has reminded me of similar photos I took myself which I must dig out some time.</p>

Bob Jamieson Peebles	Great memories. Here's an old poster of the Drambuie Imp in 1976 we found and renovated recently. It celebrated winning the Championship and breaking the 1 litre lap record - which still stands and will never be beaten. Ian Forrest's Drambuie was the fastest Imp ever at Ingleston ... 49.2 - which was some achievement at the home of racing Imps when you had Homewood, Wallinger, Gerry Birrell, Logan Morrison, John Kirk, John Fyda and many more.

Lots of fun in a GT-R One of my very early memories, (maybe 1970?) was standing under some trees, watching my dad drive around in his MGB-GT. So being back there and racing too, was a bit of a dream-come-true. I just wish my dad could've been there. Maybe he was

As a 14, year old boy, on a good day with the wind blowing in the right direction you could hear the racing all the way from Ingliston.</p> <p>I cycled down one day out of curiosity too see what all the noise was about, and like you I was hooked from the get go. The smell the noise, the madness and passion of it all. Kenny Allen, John Fyda, Ron Cumming, Eric Munoch, Iain Forrest, Jim McGaugie, Jimmy McReae in a Ecurie Ecosse Chevette, Hugh Chalmers in a Talbot Sunbenam, Ollie Ross in an Escort Estate, Old Skool Toyota Celicas, F2 Ralts, F2 Ralts with fibreglass bodies draped over the top, Duttons with hot rod engines - lots of racket and risk and people with passion.</p> <p>Loved it and miss it. Prioud to have raced at Ingliston for a year or two in the late 80's / early 90's. I doubt however that we will ever see its like again.</p> <p>RIP that very special time and place.</p>

I must be a few years older than you I was there in 1964 at the first meeting I was 18 (remembering getting towed out of the car park )and was a regular until it came to an end. I had forgotten the size of crowds that used to go. I am now a regular at Knockhill and still a racing fan. Now semi retired and have time to look for interesting sites like yours. Looking back i wouldn't have stood a chance if anything had gone wrong but it did not enter your head in those days. My hero was our local man Andy Barton in his Mini and i remember he always had a close race with Alex Clacher (? spelling) in an Imp. No Gatsos, Vascar, Specs, Camera vans, unmarked cars then Thanks for bringing back my very fond memories of close saloon car racing and at 60 years of age i'm driving and 'loving' my Audi RS4, what an engine fast cars are still in the blood !!!</p>

It used to be raced by Kenny Coleman through the 70's and into the very early 80's before he updated to a mk8. The car spent its racing life in the 70's in the Gulf racing colours (Baby blue and orange).</p> <p>Id love to hear any stories anyone might have about the car, or even better would be if anyone had any pictures of the car racing or in the pits?</p> <p>Cheers</p>
<p>Name: John Brown Sent: : 06/20/2014 10:06:56 pm</p>	<p>Found your site today when I entered Jaynick GT into Google as I was trying to find some information about the car. I, like you, started spectating and then marshalling at Ingliston in the mid 1960s until I left Scotland for England in 1976. I still have all my programmes and a good many of the results - I am currently putting information together to send to the website <a href="http://www.racingsportscars.com/">http://www.racingsportscars.com/</a> which is trying to collect as much information about sports car racing from all over the world - I am sure they would be very interested in any pictures that you have of sports cars if you can identify the date of the meeting - would you be happy for me to append some of your photos to my information - I would of course credit you as the photographer.</p> <p>I was also present at the first few meetings at Knockhill and also the mud bath that was the very first Rallycross meeting there and also at the first Doune Hillclimb in 1968 and many others after.</p> <p>My great regret is that I did not have a camera to take photos in those days and so your selection is a wonderful memory-jerker for me.</p> <p>Best wishes</p> <p>John Brown</p>

Wish I'd known you were there, would've loved a chat about old Ingliston days. Tried to chat to Dougie Niven but didn't get the opportunity. Hope you saw the Forth Bridge display-awesome watching the 43 being driven over the bridge! Have to admit I didn't see much of the touring cars as my wife had difficulty peeling me away from the 43!! Regards, Kenneth
Name: Shane Molloy Sent: 09/13/2014 05:09:56 pm	Hi, looking up Ingliston 1976 on the internet brought me here. Have some very good memories of this circuit, I remember my Dad taking us around it in the snow(close season) in a Mustang look alike Toyota Celica, lots of sideways action! He also won the first race of the 1976 season in a Corolla, sponsored by Graeme + Morton and went on to win his class that year. If anyone has memorabilia, photos ,programmes etc., I would love to hear from you.
Name: David Allen Sent: 09/14/2014 03:09:35 pm	Thanks for your excellent site. I have been writing up memories of early racing at Ingliston with Hillman Imps. In 1964 to 1966 I was Rootes sales Rep for South Scotland and helped my friend and colleague Tony Charnell, who was the Commer Cars Rep also for South Scotland, start a racing programme with a Rally Imp. He was sponsored by Hamilton Bros Paisley and later joined them as a General Manager of a dealership in Corstorphine. We struggeld as amateurs to beat established Mini racers from Dumfries and Galloway, registration number BOX1 and BOX,2 until we invited the Alan Fraser Racing Team to send up two of the Fraser Imps who won easily. Good memories and thank you.
Name: Peter Aylett Sent: 01/26/2015 10:01:34 am	I am trying to establish the paint scheme that was on a Chevron B6 entered and driven by Graham Birrell in a race at Ingliston on 16/8/70. The car was owned by Denys Dobbie (DART racing). Was the car painted in the DART blue with white arrow which was used on the subsequent Chevron B16 and later cars? If there is a colour image or programme entry which gives the colour I would be very grateful to hear. Thanks for a very interesting website. Best regards Peter Aylett

Name: Ian MacIver Sent: 02/03/2015 11:02:28 pm	Hi Ian just found your site tonight, the photos bring back lots of memories from spectating at Ingliston from around 1977 to 1987. Remembered most of the well known drivers but had forgotten a lot of the lesser known. Good times.

I would also like to say thank you to YOU for maintaining this fascinating site, and for all your great pictures.

Anyone else of my generation who attended race meetings at Ingliston as a teenager in the 60s 70s & 80s just a tad disappointed that there wasn't more 'period' cars in attendance? Don't get me wrong, it was a wonderful weekend, stirring up superb memories for my wife & me, also our son who we took with us to every meeting since he was born in 1976! Once again thanks to Iain for this great site, keep it up!

<p>Name: BILL PYE Sent: 01/17/2017 09:01:04 pm</p>	<p>Thanks for the great site bringing back memories from my youth down south of great cars and drivers. I am in Hampshire, England, so Thruxton is my local Circuit with many others in easy reach. The SuperSaloons of the 70's are my all time favourites, the like of which we just don't see any more - great days! It's all a bit sanitised and dull now so a lot of us are lucky enough to have seen these wonderful monsters first hand and driven in anger! Would it be ok to add 1 photo to the Special Saloon and Modsports FaceBook page and if yes how would you like me to credit it? Thanks for the site and your time. Cheers Bill, ps, You may know my brother Marcus from Autosport.</p>
<p>Name: Martin Orr Sent: 02/20/2017 11:02:01 am</p>	<p>Hi Iain. Great photos and brings back lots of memories from my many visits in the 60's and 70's. Would it be ok to copy a few of them for my own personal use. absolutely no commercial interest with this request. In 79 I was the spectator hit by Ian McLarens car at the end of the Esses! A couple of hours in the Edinburgh Royal and back in time for the racing! My picture of it coming over the armco didn't come out for some reason!</p>
